Choir for Easter

Our choir will be singing a few songs as a part of our special services on Easter Sunday, April 21. If you are interested, now would be a wonderful time to begin serving by singing.

Please talk to Scott Baxter (307-752-0509) for details.

We CARE

What is the CARE ministry? It is our contact ministry. CARE is an acronym for Christians Actively Reaching Everyone. Everyone - people in our church family, people who have a connection with those in our church family, visitors, even those in our community who have a need or who have done something outstanding and deserve recognition.

What does CARE do? Our CARE teams minister every month by reaching out to anyone who has been identified as needing a contact. We primarily use provided CARE cards to write that person a note (maybe you've received one at sometime.) All the materials you need are provided for you; all you do is write a note of encouragement to that person.

How many CARE teams do we have? We have four CARE teams, each doing their part in the ministry one week out of the month. Each identified by one of the letters in CARE. For example, our C team does their CARE ministry the first full week of the month. The schedule is varied and very flexible.

How do I get involved in CARE? If you are interested in joining a CARE team, please contact the church office or Heather Valdez at hvaldezbabc@gmail.com or 307-262-1010.

Facilities Update

The second story walls forms are going up! Weather permitting, those walls may be poured in a couple of weeks. Then the roof trusses will go up shortly thereafter.

Remember to keep the various aspects of the building in your prays. And pray for the teams organized by North Carolina Baptist Men, who are coming this summer to help us.

There will be numerous ways in future months for you to help with the building and with welcoming our work crews this summer. More details will be given as those opportunities approach.

CLIMBING TO THE TOP 2019 BUILDING FUND GOAL

With our expected move into the building in the fall of 2019, your support for the building fund meets vital needs. Thank you!

Praying. Planning. Building... for the Future.

"From whom the whole body, joined and knit together by what every joint supplies, according to the effective working by which every part does its share, causes growth of the body for the edifying of itself in love." Eph. 4:16

Thank you so much for your warm welcome when Paul preached at Boyd Avenue on February 3.

February was pretty busy with a wedding, two baptisms, a baby dedication, and a Super Bowl Party/Reception. We also had another impromptu sleepover with travelers stranded by our last snowstorm.
