# Boyd Avenue News

## Good Friday Service

Our Good Friday Service April 19th at 6:30 p.m. will be a newly arranged program in remembrance of Christ's sacrifice. Bring the family for this special service that provides a great beginning to the Easter weekend.

## Boyd Avenue Easter Egg Hunts Around Town

Our youth will be conducting three Easter Egg Hunts in different parts of town this year. Pray that new contacts will be made as we venture out into the community this way.

Individually wrapped candy donations for the hunts are welcome. Please place them in the box in the foyer by April 17.

## Financial Peace University Class – Summer School Is in Session!

Are you struggling with household finances? Or maybe you just need a little tune-up in a few areas? This is the time... let's get your financial engine hitting on all cylinders with Dave Ramsey's Financial Peace University! We'll start on June 5th, and meet every Wednesday at 6:30pm through August 14th. Childcare will be provided!

Scott Baxter will be leading the class (while Dave and his team do the teaching on video) and walking you through lessons on saving, debt elimination, working with your family, budgeting, retirement, mortgages, insurance and giving. This is your chance to ask the questions you've wondered about or were too afraid to ask family or friends. God's Word has plenty to say about how we manage our money and possessions, and it's an exciting time to put to use all that He's told us! Get in touch with Scott... just call or text at 307-752-0509.

## Sportsmen's Day May 4

Tickets will be available beginning April 7 for our annual Sportsmen's Day activities. The tickets are \$10 and cover the range fee at the Platte River Gun Club for an afternoon of shooting and then an evening banquet in the Fellowship Hall. Get your tickets from Wesley Avent, Monte Schaff, Tim Kulhavy or Pastor Ed by April 28th.

## Facilities Update

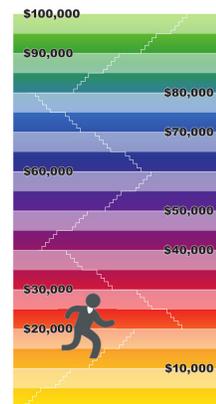

The second story walls were poured April 28. The roof trusses should rise soon. Volunteers are now needed to help frame the interior walls with metal studs. Contact Pastor Ed or Quin Williams if you are interested in helping.

We have heard from some of the people planning to come on the work teams this summer. They are excited to be able to come help. Let's be sure to prepare to minister to them while they are here.

Continue to pray that the work progresses smoothly.

## CLIMBING TO THE TOP 2019 BUILDING FUND GOAL

With our expected move into the building in the fall of 2019, your support for the building fund meets vital needs. Thank you!

"From whom the whole body, joined and knit together by what every joint supplies, according to the effective working by which every part does its share, causes growth of the body for the edifying of itself in love." Eph. 4:16

**Please worship with us on Easter Sunday! Jesus is risen! He is risen indeed!**

## Red Cross to Use Boyd Avenue for Their Smoke Alarm Event

The Red Cross will use our Fellowship Hall Saturday Morning, May 4, as the base for their drive to install smoke alarms in homes that do not already have them. Their goal is to install 150 alarms in neighborhoods near Boyd Avenue. This is the second such drive in our com-

munity, and the Red Cross hopes to sponsor several more.

## Midwest/Edgerton Ministry
